Assembly Bill 2140 COMPLIANCE AFFIDAVIT OF PACIFICORP (U 901 E)

**PURSUANT TO THE DECISION OF COMMISSIONER DIAN GRUENEICH AND  
ADMINISTRATIVE LAW JUDGE KIM MALCOLM**

Pursuant to Decision 07-12-051, dated December 20, 2007, issued by Commissioner Grueneich and Administrative Law Judge ("ALJ") Malcolm in this proceeding, providing direction for Low Income Energy Efficiency ("LIEE") policy objectives, program goals, strategic planning and the 2009-2011 program portfolio and addressing renter access and Assembly Bill ("AB") 2140 implementation ("Decision"), PacifiCorp, d.b.a. Pacific Power, submits its Affidavit of compliance with AB 2140.

**DISCUSSION**

The Decision directs "each utility to file affidavits in this proceeding describing their compliance" with AB 2140 with the Commission no later than January 15, 2008.<sup>1</sup> Utilities must demonstrate compliance with three elements of AB 2140: (1) development of processes to

---

<sup>1</sup> D.07-12-051, p. 59, 89.

directly accept California Alternate Rate for Energy ("CARE") applications from tenants of a mobile home park, apartment building, or similar residential complex; (2) development of processes to directly notify and provide renewal applications to tenants of a mobile home park, apartment building, or similar residential complex, that are existing CARE customers; and (3) development of processes to provide each master-meter customer that is subject to Public Utilities Code Section 739.5 with a list of tenants who are approved to receive discounts pursuant to the CARE program. The list shall specifically identify those tenants added to or deleted from CARE program eligibility since the previous billing cycle.

PacifiCorp hereby files the attached Affidavit of Andrea L. Kelly, Vice President of Regulation, describing PacifiCorp's compliance, as of December 31, 2007, with the three elements of AB 2140 as required in the Decision.

Respectfully submitted this January 15, 2008.

Southern California Edison Company's (U 338-E) Application  
for Approval of SCE's "Change A Light, Change the World,"  
Compact Fluorescent Lamp Program.

Application 07-05-010  
(Filed May 10, 2007)

**AFFIDAVIT OF ANDREA L. KELLY**

State of OREGON                     )  
  ) ss  
County of Multnomah             )

I, Andrea L. Kelly, being first duly sworn, under oath and penalties of perjury, depose  
and say:

1. I am employed by PacifiCorp as Vice President of Regulation.
2. In such capacity, I have knowledge of PacifiCorp's compliance with the three  
elements of California Assembly Bill ("AB") 2140 outlined in Decision 07-12-051 issued by  
Commissioner Dian Grueneich and Administrative Law Judge ("ALJ") Kim Malcolm in the  
above-captioned proceedings.
3. PacifiCorp has developed processes to directly accept California Alternate Rate  
for Energy ("CARE") applications from tenants of a mobile home park, apartment building, or  
similar residential complex.
  - a. In June of each year, PacifiCorp distributes a packet containing a CARE program  
information letter and a request for updates on current CARE program participants to landlords  
of master-metered accounts to create awareness of the Low Income Energy Efficiency and

CARE program benefits available to tenants. CARE applications are also included in the packet for landlords to distribute to tenants. A PacifiCorp customer service representative follows up by contacting the landlords to confirm the number of electric units served by the meter and the number of CARE qualified tenants. Tenants who have not received a CARE application from the landlord can contact PacifiCorp directly at 1-888-221-7070 to request an application.

b. For incomplete CARE applications, PacifiCorp will contact the applicant to obtain complete information.

c. If a tenant contacts PacifiCorp regarding billing issues, PacifiCorp informs the tenant that they need to contact their landlord. Additionally, PacifiCorp has a new web based billing program available to assist master-metered customers in the preparation of bills for sub-metered tenants. This tool is available on PacifiCorp's web site.

4. PacifiCorp currently relies on the landlords of master-metered accounts to distribute CARE applications and renewals to tenants using the materials in the packet sent annually to directly notify and provide renewal applications to tenants of a mobilehome park, apartment building, or similar residential complex, that are existing CARE customers. In compliance with AB 2140, PacifiCorp has developed a process for sending renewal applications to CARE submetered tenants. In June, PacifiCorp will begin sending renewal applications to CARE submetered tenants.

////

5. In compliance with AB 2140, PacifiCorp has developed processes to provide each master-meter customer that is subject to Public Utilities Code Section 739.5 with a list of tenants who are approved to receive discounts pursuant to the CARE program. PacifiCorp provides the master-metered customers with the names of CARE sub-metered tenants when they enroll in the CARE program.
